

## Town Garbage and Recycling Service

The Town of Stettin Contracts Garbage and Recycling Service through Advanced Disposal Services. Payment for services are added annually to your taxes as a special assessment.

Garbage and recycling are picked up weekly, curbside. Garbage needs to be in the Advanced Disposal Container Provided. Recycling needs to be in your own separate container.

When your scheduled pick up day falls on a holiday, pick up will be the following day.

If you need **NEW** services:

Please contact Clerk Marlo Turner at 715-571-1480 or by email at [townofstettin.wi@gmail.com](mailto:townofstettin.wi@gmail.com)

If you would like **additional** services added to your existing service (i.e. an additional garbage container, drive up service, etc)

Please contact Advanced Disposal Services at 715-359-6637

\*\*Small items, such as vacuum cleaners, water hoses, luggage, toys, clothing, radios, broken window panes can be placed in the garbage container located at the town hall.

**NOT ACCEPTED ITEMS;** air conditioners, microwave ovens, freezers, dehumidifiers, water purifiers, lead based paint, silo baggage, shingles, fluorescent bulbs or hazardous/toxic materials. Please no dumping after 3:30pm. The town hall recycling area is under surveillance. NO computers, TVs, and electronics.

**For Large Item Pick Up at your home:** Please contact Advanced Disposal Directly at 715-359-6637. Mention you are in the Town of Stettin and need "Bulky Item Pick up" This is an additional cost paid directly to Advanced Disposal.

It is illegal to throw out your used oil filters in your trash. The town will accept your used filters, brought in plastic bags and motor oil (no cooking oil or anti-freeze) The motor oil should be in labeled 1 gallon containers placed by the recycling bin at the town hall.
